

# HEALTH SHOPPER

Simple. Eligible. Painless.

## The easiest way to learn about, shop for and purchase HSA/FSA eligible retail items.

We are pleased to announce the availability of Health Shopper, an e-commerce website designed around shopping for and purchasing HSA/FSA eligible items via the Amazon.com shopping experience.

With Health Shopper you have the ability to search for a wide array of FSA/HSA eligible items. You can shop for the items you need as well as discover products you may not have known were eligible or even existed. Health Shopper makes shopping easy, delivering a custom curated product list with seasonal recommendations, topical content and superior search functionality while allowing you to purchase via a familiar e-commerce experience on Amazon.com and yes, your Amazon Prime member benefits apply!

Health Shopper is free service and is available to you at [www.myHCG.com/benefitscenter.com](http://www.myHCG.com/benefitscenter.com). Look for the "Health Shopper" logo to begin your shopping experience. Be sure to check back often to find coupons and special deals on eligible products.
