

HEALTH CONSULTANTS GROUP
Insurance Solutions That Work
Powered by BUILDINGBLOCKS FOR BUSINESS

THE BUILDING BENEFIT PROGRAM

Through our partnership with **Building Blocks**, we are able to provide a full-service enrollment firm with virtual enrollment options, Benefits Administration, and HR Solutions all delivered at NO COST to you.

BB4B SERVICES

ENROLLMENT SERVICES

Provide a streamlined benefits approach with virtual, agent-assisted employee enrollments focused on benefit education

EXPANDED BENEFITS

Utilize voluntary benefits to enrich your employee benefits package and increase employee retention

VALUE ADDS

Take advantage of Benefits Administration and enterprise-level HRIS software, employee incentive programs, HR Support Center, and more!

No COST

Our partnership provides you with a high level of service to make benefits enrollment as smooth and easy as possible.

With Building Blocks, you have the tools needed to develop implementation procedures that clearly define the processes of deployment before, during and after enrollment takes place.
